Policy- and Lawmakers Outreach and Education

Davao Oriental State University (DOrSU) demonstrates its commitment to strengthening public institutions through educational initiatives, outreach activities, and capacity-building programs for policymakers and lawmakers. By sharing academic expertise and providing opportunities for knowledge enhancement on relevant governance, legal, technological, and sustainable development issues, the University contributes to informed policymaking and effective public service. These initiatives reflect DOrSU's role in empowering government officials and supporting evidence-based decision-making.

DILG, DOrSU to Launch Local Governance Resource Center in Davao Oriental

The Department of the Interior and Local Government (DILG) Davao Oriental and Davao Oriental State University (DOrSU) signed a Memorandum of Agreement (MOA) on April 2, 2025, at the DOrSU Boardroom to establish the Local Governance Provincial Resource Center (LGPRC).

The LGPRC will serve as a central facility for governance-related information, providing training, research, and resources for local government units (LGUs), policymakers, and researchers. The center aims to improve local governance through knowledge-sharing and development programs.

DILG Davao Oriental will monitor the resource center's progress, manage governance data, and ensure policy alignment. DOrSU will provide research support, training, and space for materials. Other agencies, including the Vice Governor's Office and the Department of Education, will support the initiative by sharing governance knowledge and resources.

The LGPRC is expected to improve governance transparency and promote best practices in local governance. The MOA reflects a shared commitment to better public service and continuous learning.

LTO XI, DOrSU Forge Partnership to Promote Road Safety and Public Service

The Land Transportation Office (LTO) Region XI and Davao Oriental State University (DOrSU) entered into a Memorandum of Agreement (MOA) today, February 6, to collaborate on promoting road safety and enhancing public service initiatives across Davao Oriental.

The agreement, signed by LTO Region XI Regional Director Atty. Ernesto Raphael V. Robillo and DOrSU President Dr. Roy G. Ponce, outlines the scope of the partnership, which includes the conduct of Outreach Service Caravans at DOrSU campuses. The initiative aims to provide various services such as the Free Theoretical Driving Course (TDC), issuance of student permits, driver's license renewals, and motor vehicle registration renewals.

Both parties have committed to ensuring the effective implementation of the program, with a joint committee overseeing progress and addressing any challenges that may arise. The initiative will be continuously monitored, and data will be shared to evaluate its effectiveness.

#2025PhilippineMidtermElections

As the 2025 Philippine Midterm Elections approach, the Davao Oriental State University through its Center for Gender and Development and DORSU Center for Futures Thinking and Regenerative Development Center for Futures Thinking and Regenerative Development—activates the Voices for Transformation and Emancipation (VoTE) Program.

This initiative features a series of events aimed at promoting informed and inclusive political engagement, including:

Political Polarization and Patronage in a Mandaya Indigenous Community

VoTE Online Lecture Series

TALAKAYAN: A Roundtable Discussion on the 2025 Philippine Midterm Elections

VoTE Radio Program

Educational Campaigns for the 2025 Philippine Midterm Elections

These efforts seek to empower communities, promote critical discourse, and strengthen democratic participation leading up to the elections.
