17.2.2 - Cross sectoral dialogue about SDGs

DOrSU's Cross-Sectoral Dialogue Initiatives in 2025

Davao Oriental State University (DOrSU) actively participates in cross-sectoral dialogues that bring together government agencies, NGOs, higher education institutions, researchers, and community stakeholders to advance the Sustainable Development Goals (SDGs). Key engagements include:

1. **Regional Dagyaw 2025** – Participated in dialogues with government agencies, civil society organizations, and community stakeholders, promoting transparency, participatory governance, and inclusive local development.

DOrSU Strengthens Community Ties at Regional Dagyaw 2025 in Banaybanay

2. **Davao Sustainable Futures Conference 2025** – Co-organized a regional conference bringing together higher education institutions, government representatives, researchers, and development partners to discuss sustainable development, futures thinking, biodiversity conservation, and environmental sustainability.

DOrSU Co-Hosts DSFC 2025, Showcases Innovative Research on Regenerative Futures

3. RGAN XI GAD Summit 2025 – Engaged with regional GAD advocates, higher education institutions, researchers, and government representatives in discussions on gender equality, digital transformation, and gender-responsive institutional development.

DOrSU Makes Strong Showing at RGAN XI 2025 GAD Summit

4. **PNVSCA Regional Stakeholder Consultations 2025** – Participated in consultations with government agencies and higher education institutions to strengthen volunteerism, community engagement, and partnerships for regional development.

PNVSCA inks partnership agreement with all State Universities and Colleges (SUCs) of Region 11; conducts Stakeholder Consultations to Bolster Volunteerism for Sustainable Development - Philippine National Volunteer Service Coordinating Agency

5. **SMAARRDEC and Coconut FIESTA 2025** – Facilitated cross-sectoral knowledge exchange among researchers, government agencies, farmers, fisherfolk, and industry partners on agricultural innovation, research and development, and sustainable livelihoods.

Coconut FIESTA 2025: Revitalizing the "Tree of Life" Industry | SMAARRDEC

Through these initiatives, DOrSU strengthens multi-sectoral collaboration, encourages inclusive policy discussions, and promotes collective action toward achieving the Sustainable Development Goals.
